CHEROKEE WAR MUSTER ROLL
Transcribed by Judy Henley Phillips - 1984

This is a muster roll for Captain Benjamin Cherry's Regiment, Lauderdale's Battalion, Tennessee Mounted Infantry, Cherokee War (Spies). They were mustered in at Ross landing 31 Oct. 1837 for six months.

Benjamin CHERRY and most of these men were from the civil district nine area of Franklin County and communities of Alto, Decherd, Roark's Cove. Some of the men lived in the part of Franklin that became Coffee and later Grundy.

The Cherokee Volume begins in 1836, p114, TSLA. There were several muster rolls for this company. Some names were difficult to read from one list, but were clearer on other lists. I have taken the best transcription from the several rolls. All of the men were present for roll call.

Some pension information taken from original pensions and from, "Indian Wars Pension Files 1892-1926," by Virgil White. The index to the Indian Wars Pension files are in twelve volumes T318 at the National Archives. Request for pensions should indicate the title and the information provided in the index.

William HILL 76, resident of Alto, FCT. I belonged to Capt. Benj. CHERRY'S Company Tenn. Mounted Vols in Florida War 1837. I cannot remember what has been done with my discharge paper, but I am under the impression that it is on file with my claim for land warrants. I received two Land Warrants, but I do not remember the number of the claim. I have no papers in my possession to which I can refer. Nearly all of my old comrades have passed away very few now living. There is James P. LEE of Winchester, Tenn. who knew me in service, and William PARKS who was a member of my Company and now resides near Pelham, in Grundy County, Tenn. Bartow Courier-Informant-issue December 7, 1905, page 1, Death of R. N. Pylant. On Sunday last, December 3rd, Robert Nelson Pylant, an old and highly esteemed citizen of Polk County died at his home near Homeland in this county. Mr. Pylant was born in South Carolina [should be North Carolina-see pension application above] on the 5th of September, 1820 and was therefore more than eighty-five years of age at the time of his death. He removed to Florida in 1858 and after living in Tampa for several years came to Polk County and settled at Homeland, where he spent the remainder of his life. He was a soldier in the Confederate service during the war [no service record in this war has been found], serving his state faithfully in her time of need and since that time he has been one of her best citizens. He was not only a consistent Christian but labored in the vineyard of the Master for many years as a local preacher of the Baptist church. Mr. Pylant was twice married, his second wife surviving him [in fact, he was married three times]. He also leaves two daughters and one son and a large number of grandchildren and great-grandchildren. The daughters are; Mrs. B.F. Stokes and Mrs. L.H. LaRue [initials should be M. H.], and the son of J. B. Pylant, former county commissioner and at present game warden of the county. The burial took place at Homeland on Monday afternoon, the Masonic fraternity of which the deceased was a member, conducting it according to their beautiful and impressive ritual.
