

LOOSE RECORDS  
OF  
GRUNDY COUNTY, TENNESSEE

1830 - 1930

Prepared for Microfilming  
by  
The Grundy County Historical Society

1988 - 1994

This collection of loose records was removed from the attic of the Grundy County Courthouse in Altamont in 1988. A group of volunteers and members of the Grundy County Historical Society undertook to clean, flatten, arrange and inventory the materials. In 1990 the Courthouse burned and all of the other original records of Grundy County were destroyed. Although many old bound volumes had been microfilmed by the Tennessee State Library & Archives, some bound volumes and a large quantity of loose records similar to those preserved here were destroyed and lost forever.

Among those who helped with the project were the following volunteers:

- |                  |                      |                 |
|------------------|----------------------|-----------------|
| Leslie Coppinger | Renice Curtis        | Catherine Flury |
| Anna Goforth     | Bernice Gross        | E.H. Gross      |
| Esther Hembree   | Betty Majors         | Edward Parsons  |
| Margaret Parsons | Judy Henley Phillips | Inez Winton     |

After microfilming, the documents were placed in the Tracy City Public Library where members of the Historical Society make them available to researchers by appointment.
