Thank you for your welcoming letter. I was happy to learn of the strong interest in Genealogy in Grundy County, there are so many of my ancestors in the area. I appreciated reading "The Pathfinder", it's well done and informative and should be a helpful tool in my research. I am looking forward to having The Pathfinder, Vol 1, No. 1-4, and Vol. 2, No. 1. sent to me. Enclosed is a check for \$15.00 to cover the cost.

I am also enclosing two genealogy descendant reports for my Shadrick and Dove Families. They are as accurate as possible for the information gathered to date. A lot of the information I have was from public records at the Nation Archives and contact with family members. I welcome corrections and additions.

I will be in the Tracy City area sometime around the 3rd week in January and would like to learn the location of the cemetery that a lot of my family is buried in. I do not know if the name is Orange Hill Cemetery or Dove Cemetery. If anyone is familiar with this cemetery please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Sherry Quinn". The signature is written in black ink and is positioned below the typed name "Sherry Quinn".
